

Helpful Hints on Using Accela for accessing information on Tree Removal.

The link to access Accela is below. Note that you do not have to register or have an Accela account to search for information. An account is only required to **enter** information (permitting information, for example).

https://aca3.accela.com/Atlanta_Ga/Default.aspx

Note: You can also access the site by typing **Atlanta Accela** in a Google search.

Clicking on **Building** enables you to **Search Permits/Complaints**.

You will typically be happy using **General Search**, although you can click the down arrow to display additional search options.

Since you are likely interested in how trees are being dealt with in the review process, you will select the Permit Type of **Arborist Plan Review**.

To reduce your search results, specify a **Start Date** (Note: the default is 10/01/2013, which will likely return many more records that you wish to see). You can type over the Start Date or click the calendar icon to select a start date (start with year, then month, then day). As user interfaces go, I find the specification of the date to be a bit clumsy, so be patient with it.

The default end date is the current date, but you can also alter that date, if you wish.

You can select **Quadrant** value of NE, NW, SE, SW. If you don't select, you get all quadrants.

The application only returns Atlanta results, so there is no need to specify any additional search criteria, other than **Zip** code, if you wish.

The screenshot shows a web form titled "General Search". On the right, a dropdown menu is open, showing "General Search" as the selected option, with other options like "Search by Address", "Search by Licensed Professional Information", "Search by Record Information", "Search for Trade Name", and "Search by Contact".

On the main form, several fields are circled in red:

- Permit Type:** A dropdown menu with "Arborist Plan Review" selected.
- Start Date:** A date field showing "10/18/2013" with a calendar icon.
- End Date:** A date field showing "10/18/2018" with a calendar icon.
- Quadrant:** A dropdown menu with "--Select--" selected.
- Zip:** A text input field.

Other fields on the form include:

- Record Number: (text input)
- Permit Name: (text input)
- License Type: (dropdown menu with "--Select--")
- State License Number: (text input)
- First: (text input)
- Last: (text input)
- Name of Business: (text input)
- Street No.: (text input)
- Street Name: (text input)
- Street Type: (dropdown menu with "--Select--")
- Unit Type: (dropdown menu with "--Select--")
- Unit No.: (text input)
- Parcel No.: (text input)
- City: (text input)
- State: (text input)
- Business License #: (text input)

At the bottom, there is a link "Search Additional Criteria" and two buttons: "Search" and "Clear".

In the example below, the **Arborist Plan Reviews** for the range of dates **08/01/2018** through **10/18/2018** for **NE** quadrant in **30306** are selected for review when you click on the **Search** button.

You can use the **Clear** button at any time to clear your current search criteria.

The screenshot shows a 'General Search' form with the following fields and annotations:

- Record Number:** Text input field.
- Permit Type:** Dropdown menu with 'Arborist Plan Review' selected. A red arrow points to this dropdown.
- Permit Name:** Text input field.
- Start Date:** Date picker showing '08/01/2018'. A red arrow points to the date.
- End Date:** Date picker showing '10/18/2018'. A red arrow points to the date.
- License Type:** Dropdown menu with '--Select--' selected.
- State License Number:** Text input field.
- First:** Text input field.
- Last:** Text input field.
- Name of Business:** Text input field.
- Street No.:** Range selector with 'From' and 'To' sub-fields.
- Quadrant:** Dropdown menu with 'NE' selected. A red arrow points to this dropdown.
- Street Name:** Text input field.
- Street Type:** Dropdown menu with '--Select--' selected.
- Unit Type:** Dropdown menu with '--Select--' selected.
- Unit No.:** Text input field.
- Parcel No.:** Text input field.
- City:** Text input field.
- State:** Text input field.
- Zip:** Text input field with '30306' entered. A red arrow points to this field.
- Business License #:** Text input field.
- Search Additional Criteria:** Link with a right-pointing triangle icon.
- Search:** Blue button, circled in red.
- Clear:** Blue button.

Your search results will display in list and page format, displaying the **Date, Record Number, Record type, Address, Description** (if any), **Permit Name**, and **Status**.

You will be able to see (at the top of the table) **how many results** there are, and **how many results are shown per page**.

At the bottom of the table you can see **how many pages** of results there are, and you can use the number buttons to click through the pages of results.

Record BA-201806860:

Arborist Plan Review

Record Status: Closed - Approved

Record Info

Payments

Custom Component

Fees

Paid:

Date	Invoice Number	Amount
09/26/2018	960332	\$1,000.00
09/26/2018	960332	\$2,300.00
09/26/2018	960332	(\$570.00)

Total paid fees: \$2,730.00

The payment is based on the following calculations:

1. \$1000 fine imposed
2. (\$100 per destroyed tree) plus (\$30 per destroyed DBH)
 $(100 * 2) + (30 * 70) = 200 + 2100 = 2300$
3. Credit for replaced trees:
 $(\$100 \text{ per replaced tree}) \text{ plus } (\$30 \text{ per replaced TCI})$
 $(100 * 3) + (30 * 9) = 300 + 270 = 570$
4. $\$1000 + 2300 - 570 = \2730

You can use the search to look for additional arborist-related information.
 Below Permit Type of Arborist Complaint is selected with the same date and location parameters as the previous search:

2. From the map, you can click on the project tag to see "More Info", or directly click on the Case Number in the list to view Status, Details, Workflow, etc.
